*"Our Caring You'll Remember"*

Home Care and Health Services

## Compassion...

A gentle hand, a kind word, a warm smile. That’s what you can expect from the skilled caregivers at Nightingale. We provide expert, professional care to you in your own home. We truly understand the importance of dignity and independence. Your quality of life is a priority that we lovingly embrace.

Nightingale is much more than a business - it is a family. Family is important to us, and that’s how we approach you, our clients. When you’re with Nightingale, you’re one of the family.

## Competence...

You are in good hands with Nightingale. Since 1985, we’ve developed a fine reputation for our stellar care. Our trained professionals currently work with more than 700 clients annually, in Peterborough, Northumberland, Victoria, and Haliburton counties.

## Quality...

Nightingale has achieved the distinguished three year Accreditation Canada - Health Services division award for the delivery of quality healthcare. We achieved this national recognition for outstanding care in 2004, 2007 and 2010. Nightingale is committed to providing expert professional home health care with the utmost compassion.
